

RYAN HUTCHENS

Guitarist & Vocalist

Final quotes are customized to fit your specific needs but can be approximated using the pricing guidelines outlined below. I'd love to speak directly with you about what you have envisioned and how I can best be a part of that. I prioritize professionalism and versatility, and seek to make hiring a live musician an easy part of your planning process. Live music brings an exciting human element to your event, and you and your guests will love it!

Hourly Fee: \$250

\$250.00 per hour or \$125.00 per half hour while at the event. This includes one hour of set up time, performance time, breaks, and any intermediary moments such as during a speech. Time spent breaking down equipment after the performance is not charged. No breaks are necessary for any performance lasting two hours or less.

Travel Fee: IRS Standard Mileage Rate

Travel Fee will be determined using the current IRS standard mileage business rate for round trip travel from Denver Colorado.

Lodging Fee: \$150 Per Night

\$150.00 per night fee to cover lodging for some events.

Song Request Fee: \$50

\$50.00 per song to learn requests that are not on this list:

www.HutchensMusic.com/discography

Song Demo Fee: \$100

\$100.00 fee to record a demo of a song to demonstrate what it will sound like when performed.

Presentation Equipment Rental: \$50

Additional professional sound equipment for presentations or speeches is available to rent. Rental includes one battery powered speaker, one microphone with cable, and one microphone stand.

****A deposit of one fourth the total balance is required for all bookings.***

Services Provided: Live music performance featuring guitar and vocals. A custom setlist to fit the desired style and feeling of the event. At least one phone consultation to discuss details and readily available communication via email leading up to the performance date. **DJ and MC services, including making announcements and introductions, are not provided.** **Services do not include participation in any activities outside the scope of live music performance including event planning, coordination of other vendors or guests, or interacting with equipment or materials belonging to other vendors or guests.**

Equipment Provided: All of the necessary equipment for a live music performance is provided including a professional sound system. All equipment can be battery powered and is adaptable enough to set up in almost any location. A pop up tent (white, 10x10) is also available if necessary to protect the performance equipment from the weather.
